

Our Customers Love Us

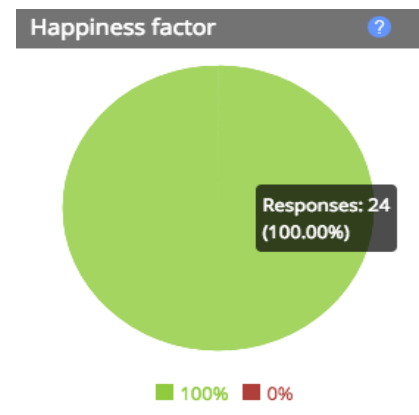

Merit Technologies' customers are one-of-a-kind. They know what it takes to keep their business going. They understand the pertinence of technology in their everyday business functions. Most importantly, **they trust us** to take care of IT so they don't have to.

Here are the numbers.

96% Net Promoter Score. **What does that mean?** It means 96% of those surveyed would be likely to recommend Merit Technologies as their IT provider.

100% Happiness factor. This is taken from our ticketing system after tickets are completed. In 2018, we have already seen 100% happiness with our completed tickets.

It is no mistake that Merit Technologies has a 90%+ customer retention rate. Our customers are happy with us, and it is our mission to *keep it that way*.

**We make our customers happy.
Let us do the same for you!**
